Dr. Mogel is a nationally acclaimed clinical psychologist, parent educator, and school consultant, and the author of ***The Blessing of a Skinned Knee***, a best-selling parenting book now in its twelfth printing.

"For anyone who has a child, was a child, or cares about children, Wendy Mogel teaches you how to raise a child to be a good person and not just raise a child to feel good. Great for the Jewish parent, great for the Presbyterian parent, the Buddhist, and even the skeptic."

-- Carrie Fisher

This program is funded by the Congregational Schools Initiative of the Jewish Federation of Greater Philadelphia.
